§ 1311. Correction of error

(a) General rule

If a determination (as defined in section 1313) is described in one or more of the paragraphs of section 1312 and, on the date of the determination, correction of the effect of the error referred to in the applicable paragraph of section 1312 is prevented by the operation of any law or rule of law, other than this part and other than section 7122 (relating to compromises), then the effect of the error shall be corrected by an adjustment made in the amount and in the manner specified in section 1314.

(b) Conditions necessary for adjustment

(1) Maintenance of an inconsistent position

Except in cases described in paragraphs (3) (B) and (4) of section 1312, an adjustment shall be made under this part only if—

(A) in case the amount of the adjustment would be credited or refunded in the same manner as an overpayment under section 1314, there is adopted in the determination a position maintained by the Secretary, or

(B) in case the amount of the adjustment would be assessed and collected in the same manner as a deficiency under section 1314, there is adopted in the determination a position maintained by the taxpayer with respect to whom the determination is made,

and the position maintained by the Secretary in the case described in subparagraph (A) or maintained by the taxpayer in the case described in subparagraph (B) is inconsistent with the erroneous inclusion, exclusion, omission, allowance, disallowance, recognition, or non-recognition, as the case may be.

(2) Correction not barred at time of erroneous action

(A) Determination described in section 1312(3)(B)

In the case of a determination described in section 1312(3)(B) (relating to certain exclu-

sions from income), adjustment shall be made under this part only if assessment of a deficiency for the taxable year in which the item is includible or against the related taxpayer was not barred, by any law or rule of law, at the time the Secretary first maintained, in a notice of deficiency sent pursuant to section 6212 or before the Tax Court that the item described in section 1312(3)(B) should be included in the gross income of the taxpayer for the taxable year to which the determination relates.

(B) Determination described in section 1312(4)

In the case of a determination described in section 1312(4) (relating to disallowance of certain deductions and credits), adjustment shall be made under this part only if credit or refund of the overpayment attributable to the deduction or credit described in such section which should have been allowed to the taxpayer or related taxpayer was not barred, by any law or rule of law, at the time the taxpayer first maintained before the Secretary or before the Tax Court, in writing, that he was entitled to such deduction or credit for the taxable year to which the determination relates.

(3) Existence of relationship

In case the amount of the adjustment would be assessed and collected in the same manner as a deficiency (except for cases described in section 1312(3)(B)), the adjustment shall not be made with respect to a related taxpayer unless he stands in such relationship to the taxpayer at the time the latter first maintains the inconsistent position in a return, claim for refund, or petition (or amended petition) to the Tax Court for the taxable year with respect to which the determination is made, or if such position is not so maintained, then at the time of the determination.

AMENDMENTS

1958—Pars. (6), (7). Pub. L. 85-866 added par. (6) and redesignated former par. (6) as (7).

EFFECTIVE DATE OF 1958 AMENDMENT

Section 59(c) of Pub. L. 85-866 provided that: “The amendments made by subsections (a) and (b) [amending this section and section 1314 of this title] shall apply to determinations (as defined in section 1313(a)) made after November 14, 1954.”

§ 1313. Definitions**(a) Determination**

For purposes of this part, the term “determination” means—

(1) a decision by the Tax Court or a judgment, decree, or other order by any court of competent jurisdiction, which has become final;

(2) a closing agreement made under section 7121;

(3) a final disposition by the Secretary of a claim for refund. For purposes of this part, a claim for refund shall be deemed finally disposed of by the Secretary—

(A) as to items with respect to which the claim was allowed, on the date of allowance of refund or credit or on the date of mailing notice of disallowance (by reason of offsetting items) of the claim for refund, and

(B) as to items with respect to which the claim was disallowed, in whole or in part, or as to items applied by the Secretary in reduction of the refund or credit, on expiration of the time for instituting suit with respect thereto (unless suit is instituted before the expiration of such time); or

(4) under regulations prescribed by the Secretary, an agreement for purposes of this part, signed by the Secretary and by any person, relating to the liability of such person (or the person for whom he acts) in respect of a tax under this subtitle for any taxable period.

(b) Taxpayer

Notwithstanding section 7701(a)(14), the term “taxpayer” means any person subject to a tax under the applicable revenue law.

(c) Related taxpayer

For purposes of this part, the term “related taxpayer” means a taxpayer who, with the taxpayer with respect to whom a determination is made, stood, in the taxable year with respect to which the erroneous inclusion, exclusion, omission, allowance, or disallowance was made, in one of the following relationships:

- (1) husband and wife,
- (2) grantor and fiduciary,
- (3) grantor and beneficiary,
- (4) fiduciary and beneficiary, legatee, or heir,
- (5) decedent and decedent’s estate,

AMENDMENTS

1976—Subsec. (a)(3), (4). Pub. L. 94-455 struck out “or his delegate” after “Secretary” wherever appearing.

§ 1314. Amount and method of adjustment

(a) Ascertainment of amount of adjustment

In computing the amount of an adjustment under this part there shall first be ascertained the tax previously determined for the taxable year with respect to which the error was made. The amount of the tax previously determined shall be the excess of—

- (1) the sum of—
 - (A) the amount shown as the tax by the taxpayer on his return (determined as provided in section 6211(b)(1), (3), and (4), relating to the definition of deficiency), if a return was made by the taxpayer and an amount was shown as the tax by the taxpayer thereon, plus
 - (B) the amounts previously assessed (or collected without assessment) as a deficiency, over—
- (2) the amount of rebates, as defined in section 6211(b)(2), made.

There shall then be ascertained the increase or decrease in tax previously determined which results solely from the correct treatment of the item which was the subject of the error (with

due regard given to the effect of the item in the computation of gross income, taxable income, and other matters under this subtitle). A similar computation shall be made for any other taxable year affected, or treated as affected, by a net operating loss deduction (as defined in section 172) or by a capital loss carryback or carryover (as defined in section 1212), determined with reference to the taxable year with respect to which the error was made. The amount so ascertained (together with any amounts wrongfully collected as additions to the tax or interest, as a result of such error) for each taxable year shall be the amount of the adjustment for that taxable year.

(b) Method of adjustment

The adjustment authorized in section 1311(a) shall be made by assessing and collecting, or refunding or crediting, the amount thereof in the same manner as if it were a deficiency determined by the Secretary with respect to the taxpayer as to whom the error was made or an overpayment claimed by such taxpayer, as the case may be, for the taxable year or years with respect to which an amount is ascertained under subsection (a), and as if on the date of the determination one year remained before the expiration of the periods of limitation upon assessment or filing claim for refund for such taxable year or years. If, as a result of a determination described in section 1313(a)(4), an adjustment has been made by the assessment and collection of a deficiency or the refund or credit of an overpayment, and subsequently such determination is altered or revoked, the amount of the adjustment ascertained under subsection (a) of this section shall be redetermined on the basis of such alteration or revocation and any overpayment or deficiency resulting from such redetermination shall be refunded or credited, or assessed and collected, as the case may be, as an adjustment under this part. In the case of an adjustment resulting from an increase or decrease in a net operating loss or net capital loss which is carried back to the year of adjustment, interest shall not be collected or paid for any period prior to the close of the taxable year in which the net operating loss or net capital loss arises.

(c) Adjustment unaffected by other items

The amount to be assessed and collected in the same manner as a deficiency, or to be refunded or credited in the same manner as an overpayment, under this part, shall not be diminished by any credit or set-off based upon any item other than the one which was the subject of the adjustment. The amount of the adjustment under this part, if paid, shall not be recovered by a claim or suit for refund or suit for erroneous refund based upon any item other than the one which was the subject of the adjustment.

(d) Periods for which adjustments may be made

No adjustment shall be made under this part in respect of any taxable year beginning prior to January 1, 1932.

(e) Taxes imposed by subtitle C

This part shall not apply to any tax imposed by subtitle C (sec. 3101 and following relating to employment taxes).

PART V—CLAIM OF RIGHT

Sec.

1341. Computation of tax where taxpayer restores substantial amount held under claim of right.

[1342. Repealed.]

AMENDMENTS

1976—Pub. L. 94-455, title XIX, § 1901(b)(38), Oct. 4, 1976, 90 Stat. 1803, struck out item 1342 “Computation of tax where taxpayer recovers substantial amount held by another under claim of right”.

§ 1341. Computation of tax where taxpayer restores substantial amount held under claim of right

(a) General rule

If—

(1) an item was included in gross income for a prior taxable year (or years) because it appeared that the taxpayer had an unrestricted right to such item;

(2) a deduction is allowable for the taxable year because it was established after the close of such prior taxable year (or years) that the taxpayer did not have an unrestricted right to such item or to a portion of such item; and

(3) the amount of such deduction exceeds \$3,000,

then the tax imposed by this chapter for the taxable year shall be the lesser of the following:

(4) the tax for the taxable year computed with such deduction; or

(5) an amount equal to—

(A) the tax for the taxable year computed without such deduction, minus

(B) the decrease in tax under this chapter (or the corresponding provisions of prior revenue laws) for the prior taxable year (or years) which would result solely from the exclusion of such item (or portion thereof) from gross income for such prior taxable year (or years).

For purposes of paragraph (5)(B), the corresponding provisions of the Internal Revenue Code of 1939 shall be chapter 1 of such code (other than subchapter E, relating to self-employment income) and subchapter E of chapter 2 of such code.

(b) Special rules

(1) If the decrease in tax ascertained under subsection (a)(5)(B) exceeds the tax imposed by

this chapter for the taxable year (computed without the deduction) such excess shall be considered to be a payment of tax on the last day prescribed by law for the payment of tax for the taxable year, and shall be refunded or credited in the same manner as if it were an overpayment for such taxable year.

(2) Subsection (a) does not apply to any deduction allowable with respect to an item which was included in gross income by reason of the sale or other disposition of stock in trade of the taxpayer (or other property of a kind which would properly have been included in the inventory of the taxpayer if on hand at the close of the prior taxable year) or property held by the taxpayer primarily for sale to customers in the ordinary course of his trade or business. This paragraph shall not apply if the deduction arises out of refunds or repayments with respect to rates made by a regulated public utility (as defined in section 7701(a)(33) without regard to the limitation contained in the last two sentences thereof) if such refunds or repayments are required to be made by the Government, political subdivision, agency, or instrumentality referred to in such section, or by an order of a court, or are made in settlement of litigation or under threat or imminence of litigation.

(3) If the tax imposed by this chapter for the taxable year is the amount determined under subsection (a)(5), then the deduction referred to in subsection (a)(2) shall not be taken into account for any purpose of this subtitle other than this section.

(4) For purposes of determining whether paragraph (4) or paragraph (5) of subsection (a) applies—

(A) in any case where the deduction referred to in paragraph (4) of subsection (a) results in a net operating loss, such loss shall, for purposes of computing the tax for the taxable year under such paragraph (4), be carried back to the same extent and in the same manner as is provided under section 172; and

(B) in any case where the exclusion referred to in paragraph (5)(B) of subsection (a) results in a net operating loss or capital loss for the prior taxable year (or years), such loss shall, for purposes of computing the decrease in tax for the prior taxable year (or years) under such paragraph (5) (B), be carried back and carried over to the same extent and in the same manner as is provided under section 172 or section 1212, except that no carryover beyond the taxable year shall be taken into account.

(5) For purposes of this chapter, the net operating loss described in paragraph (4)(A) of this subsection, or the net operating loss or capital loss described in paragraph (4)(B) of this subsection, as the case may be, shall (after the application of paragraph (4) or (5)(B) of subsection (a) for the taxable year) be taken into account under section 172 or 1212 for taxable years after the taxable year to the same extent and in the same manner as—

(A) a net operating loss sustained for the taxable year, if paragraph (4) of subsection (a) applied, or

(B) a net operating loss or capital loss sustained for the prior taxable year (or years), if paragraph (5)(B) of subsection (a) applied.

PART VII—RECOVERIES OF FOREIGN EXPROPRIATION LOSSES

Sec.

1351. Treatment of recoveries of foreign expropriation losses.

§ 1351. Treatment of recoveries of foreign expropriation losses

(a) Election

(1) In general

This section shall apply only to a recovery, by a domestic corporation subject to the tax imposed by section 11 or 801, of a foreign expropriation loss sustained by such corporation and only if such corporation was subject to the tax imposed by section 11 or 801, as the case may be, for the year of the loss and elects to have the provisions of this section apply with respect to such loss.

(2) Time, manner, and scope

An election under paragraph (1) shall be made at such time and in such manner as the Secretary may prescribe by regulations. An election made with respect to any foreign expropriation loss shall apply to all recoveries in respect of such loss.

(b) Definition of foreign expropriation loss

For purposes of this section, the term “foreign expropriation loss” means any loss sustained by reason of the expropriation, intervention, seizure, or similar taking of property by the government of any foreign country, any political subdivision thereof, or any agency or instrumentality of the foregoing. For purposes of the preceding sentence, a debt which becomes worthless shall, to the extent of any deduction allowed under section 166(a), be treated as a loss.

(c) Amount of recovery

(1) General rule

The amount of any recovery of a foreign expropriation loss is the amount of money and the fair market value of other property received in respect of such loss, determined as of the date of receipt.

(2) Special rule for life insurance companies

The amount of any recovery of a foreign expropriation loss includes, in the case of a life insurance company, the amount of decrease of any item taken into account under section 807(c), to the extent such decrease is attributable to the release, by reason of such loss, of its liabilities with respect to such item.

(d) Adjustment for prior tax benefits

(1) In general

That part of the amount of a recovery of a foreign expropriation loss to which this section applies which, when added to the aggregate of the amounts of previous recoveries with respect to such loss, does not exceed the allowable deductions in prior taxable years on

account of such loss shall be excluded from gross income for the taxable year of the recovery for purposes of computing the tax under this subtitle; but there shall be added to, and assessed and collected as a part of, the tax under this subtitle for such taxable year an amount equal to the total increase in the tax under this subtitle for all taxable years which would result by decreasing, in an amount equal to such part of the recovery so excluded, the deductions allowable in the prior taxable years on account of such loss. For purposes of this paragraph, if the loss to which the recovery relates was taken into account as a loss from the sale or exchange of a capital asset, the amount of the loss shall be treated as an allowable deduction even though there were no gains against which to allow such loss.

(2) Computation

The increase in the tax for each taxable year referred to in paragraph (1) shall be computed in accordance with regulations prescribed by the Secretary.
